Year 6 Excellence

We say good bye and good luck to our amazing Year 6 pupils. Their end of year performance *Star Warts*, *The Umpire Strikes Back* was, as one of the dads described "out of this world!!"

This performance was the culmination of an amazing and outstanding year for the whole Year 6 team, children and staff. Their achievements in sport, leadership, performing arts and academic work are excellent. Their SATs results were at least 10% higher than the national outcomes in every subject. Absolutely fantastic. We wish them all good luck in what they go on to do. Use your gifts and talents Year 6. Become the best you can be!

Market Day

Five children showcased their green thumbs and entrepreneurial skills at the local market, selling plants and produce from their school's gardening club. Their impressive efforts caught the attention of the city mayor who praised their dedication! BBC Radio Leicester also featured these young gardeners, celebrating their achievements and positive impact on the community. Well done, gardeners! 😊 **They made £86!**
