"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

Mrs Gadsby presented an assembly all about the importance of listening. She explained that it is important to listen, sit still and calmly, look at the speaker and follow the instructions so you can learn and understand. There was a pupil in Owls class called Mrs Ciftci who didn't know how to sit and listen. It made her class late but by the end of the assembly, she had learned about the importance of good listening 😊
