"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

*Staff, children, parents, friends and family were treated to an amazing performance of the Christmas story. The singing, actions and lines recited by the children were excellent. We all enjoyed it immensely, audience and actors alike! Although I have watched very many nativity plays, I will always remember this one as being very special.*

Year 1 and 2 children treated us all to a wonderful concert of Christmas singing. Their happy faces were a delight and all the mums and dads loved it!!

**Rainbow Laces at the King Power**

A group of 8 children attended this event on Monday. The children took part in lots of different activities, including designing rainbow laces t-shirts. They learned about how everyone is special and being different is something to be celebrated.

### Year 3 determination event

10 children took part in some new activities to learn new skills. They had to practise the skills and show determination when they were difficult.

### Rock Steady

Jamie and the Rock Steady Bands were amazing today.

There were 4 bands and they entertained us all with some great rock music. I'm sure we will see some of them at rock concerts in the future 😊
