"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

Last Friday, Aasiya Bora from Sustrans visited Stokes Wood and presented 2 assemblies about active travel and staying safe whilst cycling, scooting and walking to and from school and at other times too. Aasiya loves coming to Stokes Wood as she says she always feels so welcome. This week she worked with Year 1 and Year 2 children on the balance bikes. The children loved it.

The reception children have started their balanceability sessions on a Thursday afternoon. They love riding the little bikes

INTRODUCING CASHPOT FOR SCHOOLS

Download and opt-in with Asda Rewards and we will donate ££s to schools.

With Parentkind

Clubs started this week. There are a few spaces left in some clubs (all the before school clubs have spaces except Tuesday morning) if your child still wants to join.

Cycling helmets: Please ensure that children are safe when scooting and cycling to school. Wearing a helmet will help prevent a nasty injury if they should be unlucky enough to fall off. Adults.... It is safer for you too! See a good role model below 😊
