"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

Family Activity

On Thursday, 100 children and parents enjoyed Forest School activities (making wands...I was turned into a frog many times!), cycling, planting seeds and litter picking. 2 children litter picked on Darlington Road...thank you. The families enjoyed the Stokes Wood hot dogs of course after the activities. Thank you to all the staff who stayed after school to support the event.

Leicester City Football Club in the Community Trust worked with our Year 3 children on National Fitness Day. I think by the expressions on their faces we can assume the children enjoyed it! There were 6 coaches who worked in a carousel with all 60 children on different activities. It was great fun and great for fitness.

Save energy at home and look after our world.

Dean West visited our school today and delivered an assembly to our KS2 children.

It was very informative as to why we should:

Switch off lights when we are not in the room.

Unplug devices... don't leave them on standby.

Close doors when you have the heating on.

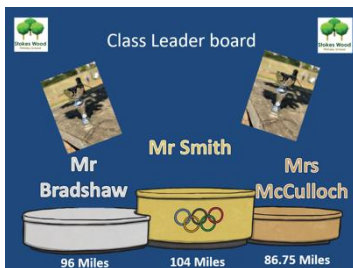

Don't leave fridge doors open.

Dean was very impressed with the children's knowledge and ideas about saving energy.

He was also very impressed with our children's respectful behaviour in assembly.

Well done everyone.

Year 4 children took part in a Welcome activity event at Goals on Friday. They all had an active and enjoyable time 😊
Photos will be in the newsletter next week.

Year 3: Malek, Jenny, Rithvik, Karson
