"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

Thank you to everyone who donated to our food bank for Harvest Festival. The food items will be donated to the New Parks Food Bank. We had lots of visitors as it was also the Grow Your Own Grub competition celebration. There were people from ECO schools, other city schools and also local councillors and Sarah Russell, our Assistant Mayor. Everyone stayed to eat the winning menu at lunchtime which I can confirm was delicious.

No Room for Racism

15 Year 6 children were invited to the event at the King Power Stadium run by Leicester City Football Community Trust. The children discussed racism, what it is and how it would feel to be a victim of racism.

The Year 4 boys had a fantastic time participating in football friendlies against several local schools. Their enthusiasm and enjoyment were evident throughout the event. A big thank you to Shaftesbury for hosting such a wonderful event!

Table tennis

The team had great fun. They didn't win but all improved over the day as they played in their first tournament.
