You will learn lots of exciting things in Year 2, including:

- All about the Victorians, including the impact of Mary Seacole.
- The features of our local area and comparing this to other places.
- In Science, we will learn about animals and their habitats. We have an exciting trip to Twycross Zoo planned for September.

We will also be going on a trip to Beaumanor Hall where we will pretend to be Victorian children and, at the end of the year, you will have a great time making wraps in food technology!
