This is where you will come in each day.

This will be your outside area.

These are the toilets you will use.

In Nursery you will learn so many new and exciting things! Here are some of the exciting things you will learn and do with us:

- Use your social skills
- Use your listening ears,
- Playing lots of phonic games and learn all about the sounds around us
- Learning lots of Nursery rhymes and actions
- Playing in our lovely outdoor area where there are 2 water trays and a sand tray to explore.

At the end of our Nursery year, we visit the Farm at Stonehurst Farm in Mountsorrel, Loughborough. Here we find out what animals live on the Farm. We have a tractor ride around the Farm and we are able to handle the smaller animals. It is a great day out!

We enjoy weekly PE lessons and big move sessions where we practice moving our bodies. Most importantly we have lots of fun in Nursery!

**We can't wait to see you on
Monday 2nd September!**
